

Report from Anna-Mairead Ferguson:

I'm very, very grateful for all the help merlin trust gave me financially in managing to be able to attend the certificate in herbology course at the Royal Botanical Gardens Edinburgh, Sept 2023 till Feb 2024, 1 weekend a month. I learned so much and the course covered a lot of the basic topics in herbal medicine. Now I have started up my own business through completing the course and this wouldn't have been possible if it weren't for the financial help from merlin Trust. So I'd like to say a huge thank you and to show how grateful I am.
